

Eden Detox Health Spa Parasite cleansing

Parasites and the complications arising from them are the No. 1 cause of death, and are the No. 1 causative factor behind most illnesses. Everybody has **parasites**; there are over 1000 potential **parasites** in humans that commonly go undetected. Symptoms are low energy levels, **fatigue**, pain, **fever**, acne, skin rashes, hives, frequent colds, flu's, loss of appetite, itchy ears, nose and anus, sexual dysfunction in men, stomach gas, bloating, teeth grinding, snoring, blood in urine and stools, as well as cold or numb hands and feet. The symptoms are endless. **Parasites** infest the liver, heart, lung, brain, prostate, and any other organ or system in the body. Eliminate **parasites** and immediately feel 100% better.

Parasite Cleansing 10 Step Treatment

Step 1 Upon commencement of your treatment you will be given a special drink to prepare the body for cleansing and alkaline.

Step 2 Then you will spend time in our herbal steam sauna with cold showers in between. This is to speed up the blood circulation in preparation and commencement of the cleansing program.

Step 3 One hour Oil Massage incorporating specially formulated essential oils that are anti-fungal, anti-bacterial and anti- viral. During this on hour treatment we use a custom designed electrical frequency generator (zapper) that targets specific **parasites** such as liver flukes, hookworms, pinworms, etc...

Step 4 Thirty minute treatment in our medical oxygen/ozone therapeutic steam cabinet will saturate the blood in oxygen and ozone. The skin is the largest organ of elimination. Ozone and oxygen oxidize toxins in the fat, the lymph and the blood. Ozone inactivates viruses, bacteria, yeast, fungus, and protozoa's.

Step 5 You are given a specially formulated drink to rebalance your **pH** levels in the blood after the ozone treatment.

Step 6 You now breathe oxygen for 5 to 10 minutes to replenish low oxygen saturation levels.

Step 7 You now commence your second one hour Oil Massage incorporating specially formulated essential oils that are anti-fungal, anti bacterial and anti- viral. During this on hour treatment we use a custom designed electrical frequency generator that targets very specific **parasites** such as liver flukes, hookworms, pinworms, etc...

Step 8 You are given a specially formulated drink to rebalance your **pH** levels in the blood after the oil massage treatment.

Step 9 You now begin a 1 hour Reflexology Foot Massage Treatment that triggers and initiates blood flow to specific organs of your body. This treatment is very invigorating and stimulating to your bodies overall well being. During this on hour treatment we use a custom designed electrical frequency generator that targets very specific **parasites** such as liver flukes, hookworms, pinworms, etc...

Step 10

Specially formulated vitamin, mineral and enzyme drinks through out to replenish your system.
